

## **VACO**

### **Left Navigation**

Left navigation is the same across all VACO sites. If change is needed requests are sent to Digital Media for review – Josh Tuscher.

File-based located in TS\_Shared

### **Right Navigation**

Right navigation can be edited by users in at index.asp→navigation

---

## **VHA**

[VHA Internet Website Left Navigation Editing - VHA Digital Media \(va.gov\)](#)

[VHA-Navigation-Form-User-Guide.pdf \(va.gov\)](#)

### **Left Navigation**

VHA Digital Media handles left navigation edits for **VAMC and VISN** websites. Contact us at [VHADigitalMedia@va.gov](mailto:VHADigitalMedia@va.gov) to submit a change to your left navigation.

**Research and Program office** websites use a form to edit the website's left navigation.

[VHA Digital Media](#) still maintains governance over the websites as well as the left navigation to ensure compliance with VA's policies and regulations.

To edit the left-navigation menu for a VHA Program Office website, from the Folders view in TeamSite, you need to select the file "[admin-left-col.htm](#)" in the "components" sub-folder of your site and click the Edit button

### **Right Navigation**

Right navigation can be edited by users in at index.asp→navigation

---

## **VBA**

RO=Regional Offices (internet)

INTRARO= Regional Office Intranet

### **Left Navigation**

Left navigation can be edited by users and can be found in [index.asp](#)→[accordion navigation](#).

### **Right Navigation**

Right Navigation uses widgets under the [index.asp](#) and calls the from the Widgets folder.

Non-Regional Office sites, like FDC, does there Left navigation like VACO. Right navigation is same as other VBA RO sites.

---

## **NCA**

1 site only and maintained by NCA

### **Left Navigation**
